Outfit by Dirk Bikkembergs

Widely known as one of the "Antwerp Six," Dirk Bikkembergs launched his namesake label in 1996, paving his way into the international runways by producing collections heavily inspired by sportswear. The unique portrayal of a man's figure as healthy, strong and virile created a strong identity like no other. The brand has now matured to exude not only sporty charisma but also tasteful sensuality. Sensuality is also a question that Bikkembergs answers through a series of looks and presentation of his clothing designs worn by many a football player.

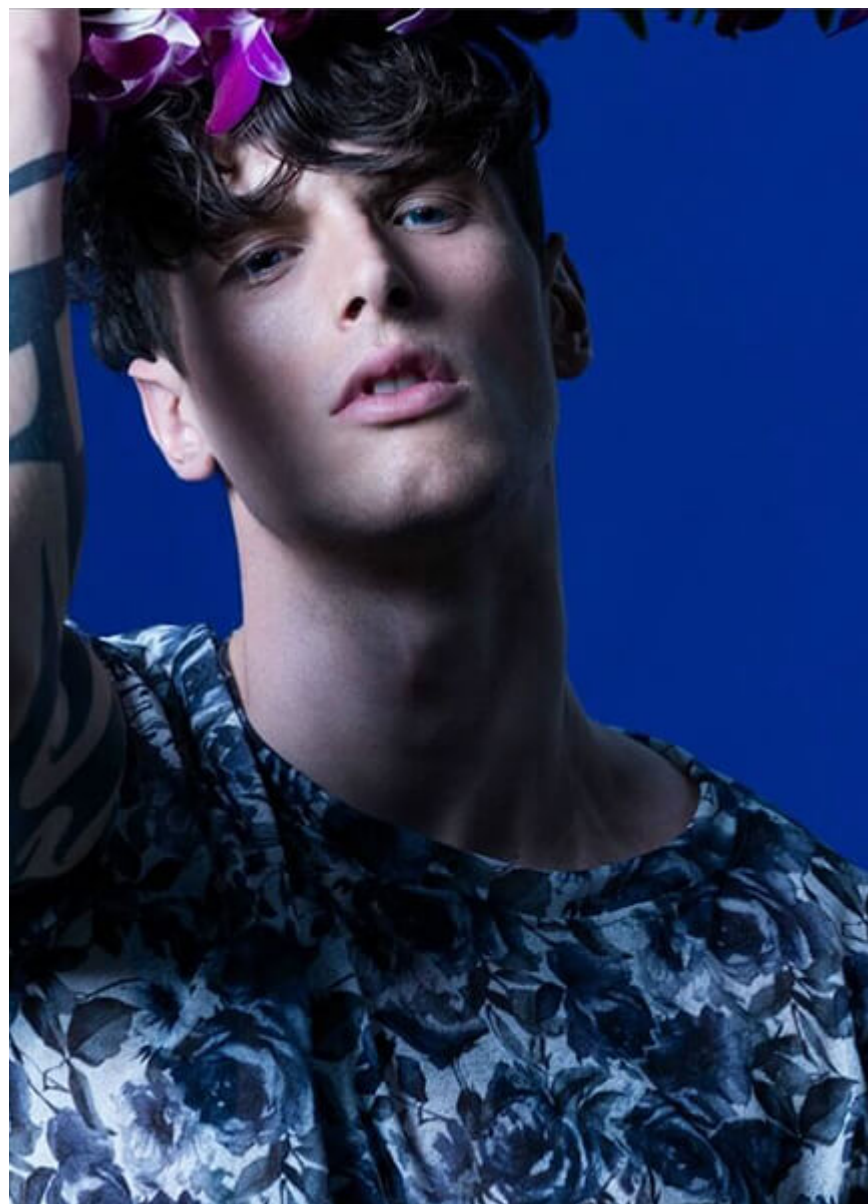

A male model with dark hair is shown from the waist up, looking over his shoulder towards the camera. He is wearing a long-sleeved shirt and a matching jacket. The fabric features a complex, colorful pattern that resembles stained glass, with geometric shapes and floral motifs in red, blue, and black on a light background. The background is a soft-focus outdoor scene with green foliage.

stained-glass print cotton
shirt and wool jacket by
ALEXANDER MCQUEEN

LAW & ORDER

A trench looks best only with a suit, right? Wrong. With forward-thinking gents breaking all the style rules these days, the classic cover-up feels equally right over a formal three-piece or casual pullover-and-sweatpants combination.

Cotton trench with leather collar, \$3,995, by BURBERRY LONDON. Wool knit jumper, price unavailable, by CALVIN KLEIN PLATINUM LABEL. Cotton-jersey sweatpants, price unavailable, by ARMANI EXCHANGE. Calf leather sneakers, price unavailable, by GUCCI.

SKIN DEEP

Not to be confused with Apple's computers, the macintosh is a waterproof raincoat versatile enough to wear all year round. And thanks to designers such as Silvia Venturini Fendi, the coat is now reimagined with luxurious touches like a supple, full-leather body.

leather coat, price unavailable, by FENDI; Wind knit jumper, price unavailable, by BURBERRY LONDON; Wool trousers, price unavailable, by CALVIN KLEIN PLATINUM LABEL; velvet slippers, price unavailable, by LOUIS VUITTON.

Outer LIMITS

BUNDLE UP

photographer: KOWIN CHEN styling: DAMIAN HUANG

Think of these versatile
outerwear options as a prelude
to the true winter. Or great
intermediate pieces to help you
through the unpredictable transition
months ahead. And when the chill
finally hits, you'll already be on top
of keeping warm without looking
like the Michelin Man.

HIGHER LEARNING

There's no playing
hard games with this one.
The varsity-inspired jacket
scores full marks because
it looks smart. It's as simple
as that. What will put you
at the top of the game is a
refined version that's more
 Ivy League than old-
fashioned jock.

Black wool-blend jacket and
black wool-blend trousers,
prices unavailable, both by
GUCCI. Navy marino wool
sweater, price unavailable,
by CANON KERRY HATHORN
LABEL.

FUZZY LOGIC

Today's coats come in a myriad of styles but the best ones do more than keep you warm. Opt for a stand-out version that comes double-breasted, reversible and in shearing that adds a touch of visual texture to your ensemble.

Heavy shearing reversible double-breasted coat, if size unavailable, by CADON KEN PLATINUM LABEL. White merino wool short-sleeved tee, \$725, and black wool trousers, \$550, both by BUSBERRY LONDON.
