CLOSE SHAVE

Whether you like a smooth shave, a stubble stubble, a moustache, goatee or "full on" beard... the right line of products and proper use will keep you looking sharp, well groomed and maintain skin that will be in demand.

THE COLLECTED BOJAN POWER PREPARE features unique, advanced, blade technology using fine closely spaced blades that through a reduction of pressure deliver a super smooth shave.

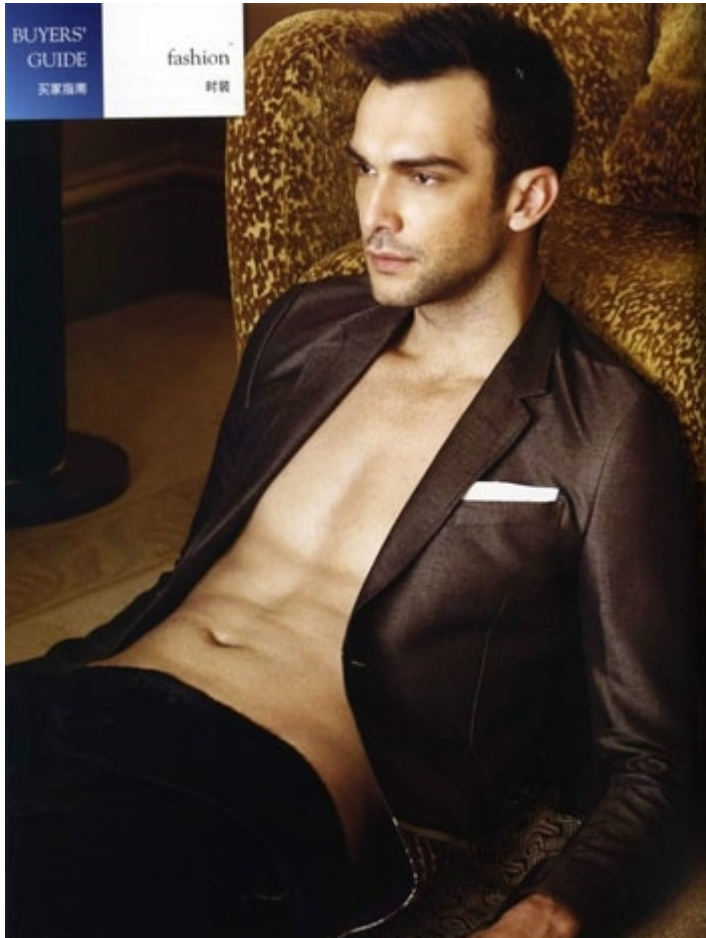

THE ART OF SHAVING STANDS as a unique sport offering a comprehensive line of products. The "Product Line" philosophy creates four steps: "Prep... (soothing)", "Shave... (and moisturize)", "Products are based on a science of counterbalance using top quality botanical ingredients with 100% pure essential oils that even help avoid razor burn and ingrown hairs.
